Minutes – Mentor Meeting no.2, ProP

(Petya, Dimitar, Lyubo, Diyan)

10:18 – 10:20 – Intro of the meeting (who is present/ absent)

10:20 – show the web page to the client; explain colors, decisions

Research on colors/ appropriate design

Comments on the resolution – it should be changed, such that it would be convenient to users in different sizes of the screens to use the website;

Comments on the colors – should be changed to brighter colors (red and more grey than black)

Talk about car images – to be put on the website for a better advertisement

Specified the place, where the event would take place: Leigh park, Tilburg

- ✓ Request from the client on having a timer, which would count down the time till the event, as well as another timer (if it is possible) for counting down till the day of tickets release

Until that moment, there is no need to add the price for the tickets in the website

- ✓ Request on sending emails (reminders) to people, going to that event

Release the facebook page around the same time, as the website itself

10:35 – End of the meeting with the client

- ✓ The most important – phases – the dates and deadlines should be specified
- ✓ Showing some versions on the Project plan doc, as well as the Setup doc.

On request – any documents/ files for receiving a feedback, should be sent at least 1 day before the mentor meeting

10:55 – End the meeting with the tutor

10:57 – Closing
